### POLICY

#### 1. School profile

Loch Sport Primary School is a small school located in the picturesque township of Loch Sport. Situated between the Ninety Mile Beach and The Gippsland Lakes, we have abundant wildlife, beautiful scenery and glorious weather. All students are in the one class, and this means students have more opportunities to work with the teacher in a one-to-one or small group capacity, as we cater for mixed abilities and grade levels. We have a multi-purpose building that houses our library and an area we can use for science, art and cooking classes. Our library area is regularly used for special activities for students, and as a meeting room for staff and community. Our "junior classroom" was used as a breakout area for small groups.

Usually, we provide our students with opportunities to participate in sport and activities such as Swimming, Cross

Country, Athletics, Camps, Leadership Conferences and Transition Days, within our rural cluster of schools. We connect with local communities to offer a range of sporting activities including gymnastics, swimming, boating, golf and lawn bowls.

Our staff are united and committed to providing all students with many opportunities to learn and grow, in a safe, happy and engaging environment. Loch Sport Primary School is a great place to learn, play and make friends.

## **2. School values, philosophy and vision**

Loch Sport Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of Kindness, Responsibility, Have a go, and Be Safe at every opportunity. Values are an integral way of life in our school. We are continuously working to ensure that we understand what our team values mean and how we can live them in order to make our team the best that it can be.

Our school's vision is to work together as staff, students and families to be an effective learning team, ensuring that all of our students have the best start to a successful future. We respect individuality and encourage all students to be the best version of themselves possible. We encourage our students to be responsible and independent learners, and teach skills for life-long learning, as society is always changing. We help students to develop resilience to keep trying in order to achieve the highest academic standards possible.

Our full Statement of Values and School Philosophy is available on our website.

Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implement positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.
