What a busy few weeks we have had with more still to come term.

Wednesday 20th: The grade 6’s also had the opportunity to attend a GRIP leadership conference at the Memorial Hall in Sale with a lot of the other grade 6’s from other schools. Our student represented the school very well and participated in the activities and shared their ideas.

Monday 25th: Our school community helped commemorate ANZAC day by participating in the ceremony on the Monday morning with many students marching and Leslie, Wilson and Ashley reading out a poem, Angel was asked to hold the flag and Leslie laid the wreath. I have heard from community members that they appreciated the student's involvement.

Wednesday 27th: Our cross country was a success with all those students who were able to attend participated and pushed themselves right to the finish line. We even had a tumble and a vomit… Impressive boys!

Thursday 28th: The grade 6’s have started their secondary school transition this week. Some of them travelled in on the school bus with the other secondary school students and a couple are visiting their second school today. I'd like to thank Chanae for her extra time and especially getting on the bus with the students at 7:30 am.

Monday 9th: We will be having a school closure on Monday the 9th of May where the staff will be working on our positive behaviour procedures and practices.

Wednesday 11th: The SES has their annual “wear orange day” on the 11th of May to draw attention to the tremendous work that they do in our community. As an added bonus they have offered to put on a BBQ for the school. I think as a way of showing our appreciation I’m asking the students to wear orange and if possible give a gold coin donation.

Damian Lappin
GRIP LEADERSHIP CONFERENCE

Wednesday 20th April 2016
The boys from our school read a poem on ANZAC DAY as part of the ceremony.
Transition day
Sale College Junior Campus
Thursday 28th April

Our students are able to experience what it will be like when they go onto Secondary School next year.

A number of these days are held each year.
