A word from the Principal…

We are moving ever so quickly through this term as days turn into weeks and the end of term daws closer. A term of great learning, both socially and academically. A term when the children have begun to consolidate their team and appreciate members by voting for them as team players each week. We have had less incidences of unhealthy behaviour and language as we are all beginning to realise that we are in fact, a team and if we work hard, a very good learning team.

For me this term has flown as I have enjoyed being at Loch Sport again. In my class I see amazing learning taking place and I am proud of Mrs Johns and her work with the seniors. I am also impressed by the team especially outside school at golf and the athletic sports this week.

We have had two new students and are expecting more. Jesse and Kaylea are great people and great additions to our team.

At the sports on Tuesday I was reminded of how special being a part of a small school community is. At lunch when families gathered, ate and talked I realised again that a small school is a big family including staff, parents and children. This is quite special as there are not that many schools that can boast such a large percentage of parent involvement as Loch Sport.

My children are much older than the kids at school as I have a son 26 and daughter 28. My family is important to me and I have missed my daughter who is a lawyer and has lived for the last three years in Manchester England. During the last two weeks of term 3 I will be absent from school as I, with Mrs Fitt, will be visiting her and catching up on some family time. Sharon, the science teacher will be taking my place in the grade so the children should continue to have a great time for the remainder of the term.

I will miss you all but I’ll will be back to start term 4.

Thankyou parents for all of your help and for being positive and welcoming.

Whilst visiting another school I was speaking to a principal and telling them that I was having a great time here at Loch Sport. I said that at Loch Sport you feel that people care about you.

Its not nice just feeling as though you work for the Education Department, its much nicer feeling that you work in a TEAM.

Thanks for making me feel that way at Loch Sport.

Kind Regards,

Albie Fitt
RSL Meals on Friday Night

The deal for Friday night at the RSL from a full choice menu is pay $15.00 for a meal and a child under 14 will receive a free meal.

2017 Enrolments

We are now taking enrolments for next year’s preps if you need a form please let the school know and we can send one home with a sibling if requested.

REQUEST FOR HISTORY OF OUR NATIONAL PARK.

You can send to Luke or post to our Loch Sport History Group Facebook page.

Parks Victoria request any old pictures of the Lakes National Park and Gippsland Lakes Coastal Park. If you have any photos of the Point Wilson, Emu Bight, the lookouts or any other locations it will help assist us with creating a timeline of change. These could provide information on assets we have lost and added, how much the vegetation has changed, and how the use of the park has changed through the decades.

It would also be great to share memories of working in or visiting the parks. You can either send copies via email, drop into the office and I can scan them, or call me and we can arrange a meeting.
