A word from the Principal…

Welcome back to term 3 at Loch Sport Primary. Many changes have occurred in a short time and yes, I am back. When I was given the opportunity to return to Loch Sport I couldn’t refuse as it is a great little school in a fantastic place.

I have really enjoyed my first two weeks back at Loch Sport and have really appreciated the welcome that I have received. The children have made a great start to the term as they are already working well and beginning to assimilate back into the school team. Ms Johns and I have begun to test the children and set new goals which will enhance the children’s learning in term 3 and beyond.

What is unique about this school is the level of individuality and the targeted learning programs that it provides. We research what your child needs and teach appropriately. Research shows that in many schools new learning only equates to 20% of time at school with 80% rehashing old stuff or filling in time. At Loch Sport we specialise in new learning, in fact our goal is to teach our children how to learn so that they can be life-long learners.

What an advantage our children have coming to Loch Sport and others are noticing as we have a good number of preps organised for 2017 and even a new student next week!

Keep speaking highly of our school team. It has had a lot of changes but it is resilient and great learning continues to happen each day.

Thanks for having me back at Loch Sport, it is a real pleasure and privilege to be back and I look forward to what we can achieve as a team for the remainder of 2016.

Attached to this newsletter is the annual Parent Survey, please take the time to complete and return it to the school by next Friday.

Kind Regards,

Albie Fitt
ART PROGRAM
We are in the middle of a unit on weaving in our Art Program.

If anyone has an old bike wheel with spokes that can be donated, we would love to use it.

We could do with around 3 or 4

Thanks Sharon

Yarram Agricultural Show Society
