SWIMMING PROGRAM—TERM 4

We have booked our Swimming Program for term 4 at Aqua Energy Sale and Kemp Aquatics will be our instructors and have given us a double session on the following days. November 14th, 21st, 28th and December 5. These are all Wednesdays. This is still eight sessions but will only require us to be out of the school on four days.

Foundation / Prep Transition

We have started planning our transition days for next term to give the new foundation/prep students an idea of what it will be like to start school in 2019. Dates will be Tuesday 30th October, Wednesday 7th November, Thursday 15th, Friday 23rd and Monday 26th. Time each day will be 9am to 11.30am. The will need to bring a piece of fruit, drink bottle and snack for morning recess.

NAPLAN results

The NAPLAN results have arrived at school, if you would like a copy of your child's results please make an appointment to come and see me to discuss the results before or after school. Please also remember that the results are a snap shot of where your child was on that day and does not give any indication of the effort that your child put in on the day or how much improvement they have made since then or that they made beforehand.

COLES SPORTS FOR SCHOOLS

This week we received our Sports equipment the we ordered through the Coles Sports for Schools vouchers. We are so grateful for all those people who made an effort to save vouchers for us and then take the time to drop them in. We are all looking forward to getting them outside and having a play.

Rural Schools Athletics

Our students did so well on the day, we were overall winners for the second year in a row. In the lead up to the day the students really worked on their fitness as well as their techniques.

Over all Liz, Sebastian and Mason were age group champions and Caleb was age group runner up.

We have 7 students going off on Tuesday to represent the Rural Cluster at the regional level which is just so impressive for our little school. I just realized that all those who are old enough for the regionals have qualified. I would also like to praise those students who were quite anxious about going onto the next level for giving it a go and actually going to the day.
