END OF TERM:

With School holidays just around the corner, it is a good time to remember to keep looking after each other and ourselves. 2020 has been a huge year and this term has been one of a kind, which has left many in our school community running on empty. The students have been great returning to face-to face learning but we are beginning to notice a few niggles and that "listening ears" have been misplaced. Remember to be kind to each other and try to remember that people are doing the best they can in this crazy time.

PYJAMA DAY: 26th JUNE

To say goodbye to the term 2 we will be having a pyjama day on the last day Friday the 26th of June. Students are free to wear PJ's or something comfortable. We will be having a Video Conference (WebEx) link up with the other Cluster schools for a Virtual "Minute-to-Win-it" in lieu of our regular Cluster Learning days. There will be popcorn and other treats as well.

GYMNASTICS TERM 3

We are hoping to secure Sporting School's funding so we can participate in our Gymnastics program early next term. The program has been a success in the past and we trust that it will continue to benefit our students again this year. It is always encouraging to see their coordination and strength develop over the 8 sessions. Our first session will be in week 2 the 22nd of July. We will do 2 sessions a visit to cut down on the amount of time we spend on the bus (and what we spend on the bus). If we receive the grant there will be a shortfall and parents will have a charge of \$50 which can come from CSEF money held at the school.

SCHOOL PHOTOS

Next term we will travel to Cobains Primary on Tuesday 4th August to have FOON's photography take students photos. Cost around \$40 per pack and an envelope will be sent home next term.
