Thursday March 13th	**SCHOOL COUNCIL MEETING 11am AGM & Meeting**
Friday March 14th	**NAPLAN**
Monday March 17th	**NAPLAN**

Dear Parents and Guardians,

Welcome back! We hope you and your families have settled into the new school year and that the first month has been a positive experience for all. It's been wonderful seeing our students reconnect with friends, make new ones, and dive into their learning with enthusiasm and energy.

Over the past few weeks, we've focused on establishing strong classroom routines, setting learning goals, and building a sense of community within each class. We are incredibly proud of the way our students have embraced new challenges and shown resilience, kindness, and curiosity.

As we look ahead, we are excited about the term's upcoming activities and learning opportunities.
We encourage all families to stay connected by reading our regular updates, joining school events, and reaching out to teachers if you have any questions.

We kindly ask for your support in helping us maintain a safe and healthy environment at our school. One of our students is currently managing Neutropenia, a condition that significantly lowers their ability to fight off infections. Even mild illnesses can pose serious health risks for this student.

To ensure their safety and the well-being of our entire school community, we kindly request that any child who is feeling unwell—whether due to fever, cough, sore throat, runny nose, or any other signs of illness—be kept at home until they are fully recovered. This will help limit the spread of germs and protect our more vulnerable students.

Thank you for your understanding and cooperation. Your continued support is essential in creating a safe and caring environment for all our students. If you have any questions or concerns, please don't hesitate to contact the school office.

Thank you for your ongoing support as we work together to create a fantastic year for all our students!

Warm regards,

Damian & Staff

SCHOOL COUNCIL

As Principal of Loch Sport Primary School I wish to inform our school community that our school council elections have been held for 2025 and Zita Bush has been successful in her parent nomination.

Our first meeting will be held on Thursday 13th March at 11am in the junior room and will consist of our AGM and will be followed by a normal meeting.

Damian Lappin

STUDENT THOUGHTS

Water safety day by Ivy J

On 19th February, we went to Seaspray. We learnt CPR by doing all of the steps with instructors.
We then learnt about water dangers and went in the water and where we learnt how to rescue somebody in danger.
Even though it was too cold, we all had a great day.
This is Ivy Jones zooming out.

NEW SHED HAS ARRIVED by Harley M

The build of the new shed has just been completed near the front gate.

We are in the process of transferring all of our maintenance and gardening equipment to the new shed so we will have room for an indoor entertainment room, including the pool table, blocks, toy cars and play sets.

We are also clearing out our gardening shed to store our bikes that were donated by The Variety Club.

The shed looks great and it is awesome that we have more room for storage.
