Loch Sport Community House Inc.
The Heart of Our Community

Play Group!

An exciting new program is commencing at Loch Sport Community House in the Public Hall on Thursday 29 May, 2pm to 3pm, $2 + a piece of fruit to share per child per session.
Loch Sport Play Group for pre-school aged children and their parent/caregiver, with our children's programs coordinator and facilitator, Hope.
An exciting name for this group is to be advised!
Play Groups are great for children's development and wellbeing, a perfect way for children to socialise, make friends and share experiences.
Play Groups are also a great support and network for parents and care givers, especially in regional and remote areas like Loch Sport.
Things you can expect will include sensory play, library reading/rhyming sessions, brief guest speakers for information sharing, excursions and all sorts of play!
More information to come, but if you are the parent or care giver of a pre-school aged child, lock this in!
For enquiries, please call the Community House on 5146 0145.
