Be Responsible. Be Safe. Have a Go. Show Kindness.

Dear Parents and Carers

SWIMMING: Our swimming program starts next Tuesday 11th and will continue on Thursday 13th ,Tuesday 18th and Thursday 20th with double sessions each day. KEMP Aquatics will run our program at Sale Pool. We ask families to ensure students can change out of their wet bathers, dry themselves, and get dressed again independently. We encourage parents to do a "wet run" — have students wear their bathers in the bath or shower and practise getting out of wet gear
PLEASE MAKE SURE TO LABEL EVERYTHING!

Reminder for Absences

Please inform the school if your child is going to be absent.
You can ring or text the school phone to report your child's absence.
(03) 5146 0457
TEXT: 0499 338 692

We also appreciate parents keeping students with symptoms at home to help protect our more vulnerable students and reduce the spread of illness within our school community.

MOSSIE SPRAY

At the school we use the ALDI brand of Spray, If your child needs a different brand please make sure you send this to school with them

DENTAL VISIT : A form was sent home on Thursday 6th for the Australian Smile Group. If you want your child to be seen by the dentist please make sure the form has been completed and returned no later than next Friday 14th as we need to scan and send completed forms to the dental group by this day.

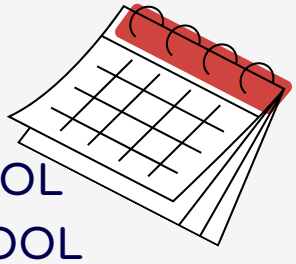
RIDE TO SCHOOL: Monday 24th to Friday 28th November we will again do the ride to school program, meeting at the Marina at 8.00am. We can provide a bike and helmet if needed for your child and a staff member will ride with the students. We will return at the end of the day leaving school at 2.00pm to arrive by 2.30pm and parents can pick up from there or your child can ride their bike home. If you need to drop off at school their will, be a staff member present.

Can you please text the school if you child will need to use a school bike and helmet.

COOKING: Throughout term 3 & 4 the grade 6's have been participating in cooking lessons. Some of the things that we have made are cookies,tacos, pancakes, cob loaf, orange poppy seed muffins. While we have been cooking, we have learnt valuable skills such as how to properly measure ingredients, adapting certain recipes, costing all the ingredients and most importantly team work!. I honestly think that it is great we can do stuff like this at our school and I really enjoy it,

Harley M Grade 6 Student Leadership Team

Upcoming Dates



NOVEMBER

Tuesday 11th SWIMMING PROGRAM - SALE POOL
