Loch Sport Primary Newsletter Mar 12th

Teachers' Note

Hi Everybody! Were pleased to say that our fantastic start to the year has continued and we are now well settled into our new routines!

We would like to welcome Kaleb and family to our school community and wish them a positive and productive time at LSPS.

Classroom Highlights

- Students in Grades 3 and 5 have this week completed NAPLAN Testing. Their effort and concentration has been a credit to them!
- Over the last few weeks and for the remainder of the term our theme has been 'Celebrating Kindness', it has been great to see students putting the lessons into pratice!

What We're Learning

- Maths: Our junior students are continuing to work on mastering their place value skills, while our seniors have begun to revise and develop their addition with trading skills.
- Literacy: We have begun to work on our writing stamina and make sure all our sentences contain capital letters and full stops. We are doing this through fun games like 'Classroom Spy'
- PE: We've been learning a new sport each week and this week it was Soccer. Well done Paddy on scoring a penalty against David!
