Term 2 2026

Loch Sport Primary Newsletter June 4th 2026

Teachers' Note

Hi Everybody, as we get into the cooler months we have been reflecting recently on the work that has taken place over the first term and a half and celebrating the achievements of our students, particularly in the Social/Emotional area of learning. Our focus on kindness and empathy has begun to translate into students helping, encouraging and celebrating achievements which is fantastic to see. Keep up the great work!

Classroom Highlights

So far this term we have continued to work hard on learning about spelling rules and how we can use our knowledge to improve our narrative writing.

In Maths we have recently completed some assessments to allow accurate reports to be developed later this term. This has also allowed us to celebrate with students the gains they have made and set goals for the second half of the year.

Please Note !!

As the weather gets cooler there will no doubt be an increased number of colds and illnesses so please remind students to wash hands thoroughly in order to minimise the spread of germs and if your child is unwell please keep them home.

PREP ENROLMENT 2027

Our school uses the Department of Education's secure digital enrolment system called VicStudents. This means you can submit your Foundation (Prep) application online and receive updates through the system. If you have any questions about the online enrolment process, please contact our school. Paper enrolment application forms are also available on request.

LOCH SPORT PRIMARY

Wow, what a busy few weeks we have had! Even though the weather is starting to get cooler our outdoor school sessions continue to provide experiences and learning opportunities that motivate and inspire our students. Lately we have visited Seaspray, Glenmaggie Weir and Heart Morass, as well as our ongoing Bug Blitz sessions and Billy Button planting with Tash from the Royal Botanic Gardens.

Well Done Shayn - Aussie of the Month for May!!
