Monday 5th - Wednesday 7th Oct
(First 3 days of term 4)
Grade 3 & 4 Woorabinda Camp

Swimming Program
13th, 15th, 20th & 22nd Oct

Classroom Highlights

This term we've had three more students join us, and we've been super excited to get to know Sage, Kaiden and Evie. Welcome to Loch Sport Primary!
We've also had work completed to upgrade our paths and grassed areas, which are now looking fantastic, as well as some tree works to help prepare our school for the upcoming fire season.

Term 3 Learning

Students have been excited and enthusiastic about learning a new language, with Joel running classes to introduce them to Japanese. We've been practising narrative writing and experimenting with physical sciences, including designing and creating paper aeroplanes to see which one could travel the greatest distance, as well as making our own 'jumping beans'.

Awards & Recognition

Our Aussie of The Month for October was Luke Armstrong! Congratulations, Luke, and well done for displaying our school values and demonstrating great leadership this term.

Recent Activities

This term has been packed with exciting activities! We've attended several weeks of gymnastics lessons in Maffra, where the students have learned a lot while having plenty of fun. We also participated in the recent School Cluster Athletics Day, which was a great success.

On top of all that, we had a visit from the Raising Rarity team to help us better care for our Billy Buttons and track their progress. Our Grade 5 students attended a high school transition day and enjoyed their first look at high school life. We've also enjoyed other activities such as fishing, cooking and discovering the outdoors.

Principal's Note

It has been a fantastic term at Loch Sport Primary School, with new students joining our school community, new staff settling in and plenty of exciting and enjoyable activities taking place along the way.

I also had the pleasure of accompanying Mary to a special ceremony celebrating her incredible 35 years of service to the Department of Education. It was a wonderful opportunity to recognise the commitment, care and contribution Mary has made throughout her career. We are very fortunate to have Mary as part of our Loch Sport Primary School community, and I know how much she is valued by our students, staff and families.
Congratulations, Mary, on this wonderful milestone, and thank you for everything you do for our school!
